on Hwy. 22

FRIDAY NITE, JULY 24, 2009

Smokey Express

Smokey Express is a family band made up of 4 siblings and a son from Amherst, WI. We have been together for 25 years playing mostly weddings or private parties. Our playlist consists of music from Country and Western, Rock and Roll, and Polka's and Waltz's to meet the needs of our audience. Each of the members play multiple instruments to suite the style of music being performed. We enjoy interacting with the crowd and sharing our talents!!
